# I'm Breanna.

**I'm an IT Web Programming student,
a cash applications specialist,
a proud cat owner,
and a hobby film photographer.**
(I took that photo!)

I've been attending NSCC for three years now, I have a certificate in Business Administration with an accounting focus, and am working towards getting a certificate in IT Web Programming

When I'm not working or studying, I love hiking, rollerblading, and photography!

IT Web Programming - 2023+

Cash Applications @ Seaboard - 2023+

Business Administration - 2021-2023
